

Appendix 2

Title - "The Greedy Triangle"

Materials:

- The Greedy Triangle by Marilyn Burns
- geoboards, geo bands (rubber bands),
- graph paper (dot paper)

Procedure:

- Facilitator reads "The Greedy Triangle" to the teachers
- As she reads, the teachers make the 2D shape on their geoboards or dot paper
- Write the name of the shape on the chart
- When the book is finished, the teachers work in teams to discuss the shapes and write the characteristics on the venn diagram

Observation of teachers:

- Recognize the following geometrical shapes and characteristics of:
triangle, quadrilateral, pentagon, hexagon, octagon, nonagon, and decagon.
