

Hospitality

“Being a student at Penn College isn’t just about being book smart, but also about being able to apply what we’ve learned through hands-on experiences.”

degrees that work.

Hannah Fisher

Degree: Hospitality Management

Hometown: Red Hook, NY

In addition to working alongside prestigious visiting chefs, Hannah gained valuable expertise catering at the Kentucky Derby and interning at an award-winning, historic New England inn.

“For individuals with the skills, drive, and passion, the hospitality industry offers exciting and rewarding careers. Employers frequently recognize our students for having what it takes to be successful professionals.”

Fred Becker
Dean, School of Hospitality

Penn College is a special mission affiliate of Penn State, committed to applied technology education. Bachelor's and associate's degrees in more than 100 fields are focused on applied technologies ranging from manufacturing, design, transportation, and construction to hospitality, health, business, and natural resources. Business/industry connections, national corporate sponsors, small classes, industry-standard equipment and faculty with work experience contribute to strong graduate placement rates.

Business and industry connections play a vital role in students' success in the workplace and position Penn College as a leader in higher education and workforce development.

An affiliate of The Pennsylvania State University

Penn College operates on a nondiscriminatory basis.

Penn College® and degrees that work® are registered in the U.S. Patent and Trademark Office.
