### Students Serve at Little League Baseball World Series

Pennsylvania College of Technology School of Hospitality students served more than 150 baseball players and their guests at the 2011 Little League Baseball World Series in August. Guests included players from the Challenger Division and their families. The Challenger Division provides young people with physical and mental challenges an opportunity to compete. Students served a picnic lunch prepared by local restaurants.

### International Internships

Starting summer 2012, School of Hospitality students in Culinary Arts and Baking & Pastry Arts will be able to complete their internships at fine country inns and boutique hotels in England. Students will be paid and will be provided with lodging and meals. The school is pleased to provide students with this exciting new opportunity!

### Students Participate in Fred Rogers Dinner

Six School of Hospitality students assisted with a benefit dinner for the Fred Rogers Center for Early Learning in September. The students worked with outstanding chefs including Chef Gregg Andrews from the Supper Club and Chef Jamie Leeds from Hank's Oyster Bar. The dinner was at Jamison Farm in Latrobe.

### SkillsUSA

Lewis Robinson, Culinary Arts & Systems, took the bronze medal at the 2011 SkillsUSA National Leadership and Skills Conference in Kansas City, Mo., in June. Lewis is from London, Ontario, and was competing in the culinary arts category.

### Programs Reaccredited

In August, the three associate-degree majors offered by the School of Hospitality were granted reaccreditation through 2016 by the American Culinary Federation Education Foundation Accrediting Commission and the Accrediting Commission for Programs in Hospitality Administration. Certification is a great way for students to show employers what they have accomplished.
