“The Design Department at Penn College is the perfect mix. The coursework is both intense and diverse, which builds focus while breeding creativity, and the design faculty is dedicated to your success. They’re always available for input and critique, and they go out of their way to prepare us for what lies ahead in the professional world.”

Zachary Bird
Degree: Graphic Design, B.S.

As part of his capstone project, Zachary developed a graphic design website that showcases design information, student work, and news & events.

Pennsylvania College of Technology,

a special mission affiliate of Penn State, is a national leader in applied technology education. Penn College offers more than 100 bachelor, associate, and certificate majors to nearly 5,600 students in careers ranging from manufacturing, design, transportation, and construction to hospitality, health, business, and natural resources. Business/industry connections, small classes, industry-standard equipment, and faculty with work experience contribute to strong graduate placement rates. The full college experience awaits those desiring on-campus housing, Greek Life, student organizations, and NCAA Division III athletics.

An affiliate of The Pennsylvania State University

Penn College operates on a nondiscriminatory basis.
