

# Natural Resources Majors

■ ASSOCIATE OF APPLIED SCIENCE

- Forest Technology
- Landscape/Horticulture Technology:
  - Landscape Emphasis
  - Plant Production Emphasis

“Penn College’s campus is an outdoor laboratory.”

Melissa Berrier  
Degree: Landscape/Nursery Technology  
(now Landscape/Horticulture Technology)  
Hometown: Mifflin

“At Penn College, you don’t just learn through textbooks and lectures, you have the opportunity to get outside the classroom, get your hands dirty and experience it.”

College of  
Technology**

PENNSTATE

“With more than 100,000 square feet of indoor institutional laboratories and classrooms and over 350 acres of outdoor “learning labs,” the Earth Science Center offers students ample space for learning while keeping class sizes small for individualized instruction. Take a look ... and see what opportunities we can offer you.”

Dr. Mary Sullivan  
*Assistant Dean, School of Transportation & Natural Resources Technologies*

#### APPLIED MANAGEMENT

After completing an associate's degree or equivalent coursework, you have the opportunity to complete a Bachelor of Science degree on the Penn College campus or online via distance learning.

HERMAN T. SCHNEEBELI

## Earth Science Center

Majors related to the management of our natural resources are offered at the Schneebeli Earth Science Center, located at 203 Allenwood Camp Lane, Montgomery, which is along Route 15, about 10 miles south of Main Campus.

### The Schneebeli Earth Science Center is home to the following majors:
