**Comments:**

The program selected less than the maximum number of approved students for the Class of 2022, 2023, and 2024 cohorts in order to comply with social distancing safety guidelines associated with the COVID-19 pandemic and to accommodate a nearly \$3M renovation of the Physician Assistant Technology Center. Reduced cohort size allowed the program to provide in-person, hands-on, campus-based instruction rather than having to teach the program online.
