

Radiography Job Shadowing Information

1. UPMC Susquehanna

Location: Williamsport, PA

Website: <https://www.susquehannahealth.org/careers/student-opportunities>

Contacts: Cody Concini (concinic@upmc.edu) or Jeff Andrew (andrewjd@upmc.edu)

Information: Must complete Job Shadowing checklist and submit relevant vaccinations.

2. Evangelical Community Hospital

Location: Lewisburg, PA

Website: <https://www.evanhospital.com/contact/request-for-student-experience-form>

Contact: humanresources@evanhospital.com or christopher.chappell@evanhospital.com

Information: Must first complete online request for student experience form. Once complete, a hospital rep will contact you for further directions. Job shadowing assignments are only given during particular timeframes.

3. Geisinger Sites:

Location: Danville, PA

Website: <https://www.geisinger.org/health-professions/health-professions/school-of-radiologic-technology/job-shadow>

Contact: Kenneth Roszel, kroszel@geisinger.edu

Information: contact program director above for job shadow form and more information.

4. Many other hospitals offer job shadowing. Access the hospital website and navigate to student opportunities or give the Human Resources department a call.

****Disclosure: It is the student's responsibility to initiate the job shadowing process. Penn College employees are not responsible for setting up or arranging job shadowing at the affiliate hospitals. This information is given strictly as a guide to get you started.**
