

YOU'RE

IN.

LET THE

ADVENTURE

BEGIN.

**Pennsylvania
College of Technology**
A Penn State Affiliate

LET'S DO THIS.

+ × +

Everything from the phone in your pocket to the shoes on your feet started as a vision.

They were brilliant ideas born from fearless beginnings. They caught spark, gained momentum, and came to life. Because in the right environment, anything is possible.

Whether you dream of engineering a groundbreaking new product or providing critical care in the ER, your future begins here and now. This is your chance to plant your seed for a transformative tomorrow.

At Penn College, you'll be free to think boldly. Explore bravely. And embrace every untapped opportunity that awaits.

MEET PLACEMENT REQUIREMENTS.

Placement requirements ensure you have the skills to hit the ground running your first semester.

You can meet requirements in one or any combination of the following ways:

- ◇ Satisfactory placement test results
- ◇ Qualifying SAT/ACT scores
- ◇ Transferred courses from other colleges

Learn more at pct.edu/placement.

MAKE A COMMITMENT.

After you've met placement requirements, it's time to make it official. On your acceptance letter is your deadline for confirming your intent to enroll at Penn College. Let us know by this date to reserve your spot.

Head over to pct.edu/dashboard to get started.

START PLANNING.

Now that you've made it official, it's time to get excited.

Get all the details at pct.edu/wildcatready to see what you can expect between now and the first day of class.

READY FOR ANYTHING

As students in the lab and classroom,

athletes on the court, and sought-after new hires in the field, Wildcats have a reputation for being prepared. That's because hard work translates into the kind of results you can be proud of.

WHAT'S NEXT?

Now that you've been accepted to Penn College, here are a few things you can do to prepare for the road ahead.

PUT YOUR FINANCIAL PLAN IN PLACE.

Setting yourself up for success tomorrow starts with being smart today. That means offsetting your investment with the best possible combination of funding sources. We recommend prioritizing grants and taking advantage of every scholarship opportunity you can. Then round out your plan with loans.

We understand that everyone's financial picture is a little different. Think about yours and see what works best for you. Unsure where to start? Our experienced team is here to help!

1. Submit your Financial Aid Authorization Form.

Head over to your applicant dashboard to submit this important form, which is needed to process and award any possible aid. Yes, you can do this even if you're not sure if you're coming to Penn College. Find at pct.edu/dashboard.

2. Submit your Free Application for Federal Student Aid.

Required for any federal aid, the FAFSA opens in December for the following year. Apply at studentaid.gov/afsa.

3. Complete the Penn College Scholarship Application.

By submitting one scholarship application you'll put your name in the running for 350+ unique, stackable scholarships. Apply at pct.edu/scholarships.

4. Consider loan options.

Most students and parents take advantage of loan programs. Explore options at pct.edu/loans.

\$2.2 MILLION

ESTIMATED AWARDS IN 2022-23

START SMART

350+

UNIQUE SCHOLARSHIPS

Apart from grants, scholarships are one of the best ways to cover your educational investment. The more scholarships you can earn, the more you'll save, and the less you'll need to repay after graduation.

Complete the annual Penn College Scholarship Application and we'll match you with as many scholarships as you're eligible for.

Application opens **December 1** for the following academic year. The priority application deadline is **March 1** for the fall semester and **October 1** for the spring semester.

Featured Scholarships + x +

CAREER AND TECHNICAL EDUCATION STUDENT SCHOLARSHIP

If you're attending a career and technical school in Pennsylvania, New York, New Jersey, Maryland, or Connecticut this award is the perfect motivation to continue your hands-on education. Eligible students can get a \$2,000 annual scholarship.

PRE-COLLEGE PROGRAM SCHOLARSHIP

If you attended one of our overnight career exploratory summer programs, you're eligible for a \$1,000 annual scholarship. If you came for two programs, you'll get \$2,000 in annual scholarships.

PENN COLLEGE TRANSFER STUDENT SCHOLARSHIP

Exclusively for transfer students, this \$2,500 annual award celebrates the transfer journey and the immersive learning experience you'll enjoy at Penn College.

SKILLSUSA SCHOLARSHIP

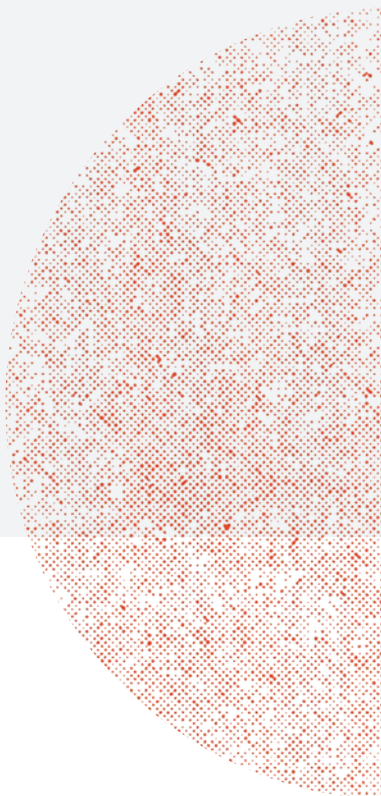

If you're a state or national SkillsUSA winner, you'll be awarded a \$2,500 scholarship for first place, \$1,500 for second place, and \$1,000 for third place.

See more at pct.edu/scholarships.

" IF I WEREN'T THE BENEFICIARY OF SEVERAL GENEROUS SCHOLARSHIPS, MONEY WOULD HAVE BEEN AN EVEN GREATER CONCERN FOR ME. IF I COULDN'T COUNT ON SCHOLARSHIPS TO FUND MY EDUCATION, I WOULD HAVE BEEN OBLIGED TO TAKE ON ADDITIONAL WORK OUTSIDE OF THE CLASSROOM IN ROLES THAT PAID BETTER THAN THOSE I WORKED IN. I WOULD HAVE HAD FAR LESS TIME TO VOLUNTEER FOR POLITICAL CAMPAIGNS OR ADVOCATE CAUSES IN THE STUDENT GOVERNMENT AND I NEVER WOULD HAVE DISCOVERED MY PASSION. "

Software Development & Information Management

SUPPORT TO SEE YOU THROUGH

From the time you submitted your application

to years after graduation, you'll be totally supported at Penn College. There's a reason that everyone says campus feels like home. That's because there's a sense of community and strong connections that last a lifetime.

CENTER FOR ACADEMIC EXCELLENCE

At Penn College, we take academics seriously. Our team is dedicated to helping you make the most of your academic journey. Whether that's connecting you with resources to keep your grades where they need to be or offering specialized support for veteran and military students, we're here to keep you motivated and moving in the direction of your goals.

ACADEMIC ADVISING

Curious about which classes to take? Thinking about adding a minor or a dual degree? Your academic advisor will be your go-to resource for all things program-related. Regular meetings with your advisor are a great time to discuss career goals and ensure you're on track for graduation.

CENTER FOR CAREER DESIGN

You're looking to land the career of your dreams. From job postings and resume reviews to free career clothing and mock interviews, the dedicated team at the Center for Career Design is here to help make it happen. And these perks don't end after graduation. Stop in anytime and get the support you need for success.

FIVE-DOLLAR TEETH CLEANINGS VIA ON-CAMPUS DENTAL CLINIC

EXCLUSIVE STUDENT DISCOUNTS AT LOCAL RESTAURANTS AND RETAILERS

FREEDOM TO HAVE YOUR CAR ON CAMPUS—YES, EVEN FIRST-YEAR STUDENTS!

REAL-WORLD

READY

At Penn College, we believe in hands-on education.

Everything you learn is rooted in purpose. Whether it's practicing the art of creative problem solving or honing an in-demand technical skill, your entire experience will prepare you to take a leading role in transforming tomorrow.

LEARN WHERE YOU LIVE.

Our Williamsport location puts you in the heart of Little League Baseball. Players from around the world come to the area to compete for the title of world champion. At Penn College, you can get in on the action, too. Culinary students prepare delicious cuisine for players and fans. Graphic design students can earn game-changing internships at corporate headquarters. And lots of clubs and organizations take part in the annual Grand Slam Parade.

Service-based learning extends beyond Little League. If there's an opportunity for Wildcats to flex their know-how and give back at the same time, they're all for it. When local small businesses need websites, an area park needs fresh landscaping or a community pavilion needs lights, our makers are always up for the challenge.

PRACTICE MAKES PROFESSIONAL.

From service projects to course requirements, real-world experience builds skills you'll apply from day one. Take healthcare, for example. Nothing builds rock-solid confidence like extensive lab training followed by clinical experiences alongside professionals in real-world settings. And thanks to our connections with area health systems like UPMC, nursing and health science majors get vital experience in true patient-care settings. These strong industry connections don't stop in healthcare. Our relationships across all fields open doors for students in every major to get a taste of the opportunities to come.

EMBRACE THE MAKER CULTURE

Here, you'll meet an eclectic mix of doers and creative problem solvers. Wildcats love the process of chasing exciting ideas inside and outside of the lab.

The Dr. Welch Workshop: A Makerspace at Penn College—packed with tools like sewing machines, 3D printers, and woodworking equipment—is the perfect space for bringing your visions to life.

Read their stories and meet more makers at pct.edu/makers.

ERIN BEAVER '19
Welding & Metal Fabrication

Ambitious and technically skilled, this superstar student landed a job as a weld engineer with Harley-Davidson, one of the world's most iconic motorcycle manufacturers.

JOE GASPARETTI '01
Graphic Design

He's an art director with NYC-based Mars and one of the creative minds responsible for marketing America's favorite snacks: M&Ms® and SNICKERS®.

STEPHANIE SUZADAIL '14
Nursing

Her craft is critical care. Each day introduces a new challenge. But it's nothing this Geisinger Life Flight registered nurse can't handle.

COMMUNITY OF CREATORS

MAKE YOUR

MARK

College is more than lab lessons and late-night

study sessions. It's your chance to get involved and explore outside of class, too. Joining clubs and organizations is one of the easiest ways to meet fresh faces and connect with meaningful opportunities that will enrich your journey. And don't forget about intramural activities. Take your pick from a host of options ranging from football and basketball to cornhole and Wildcat Wars.

**TOMORROW'S LEADERS:
100% COMMITTED TODAY**

Looking to grow as a leader? At Penn College, there are tons of ways to take your skills to the next level. Join the Student Government Association and be the voice for fellow students. Become an orientation leader. Or work as an RA and serve as a positive role model. Just bring your ambition for taking on new challenges. We'll be here to add fuel to your fire.

Meet Ashlee.

WITH 60+ CLUBS AND ORGANIZATIONS, THERE ARE ENDLESS OPPORTUNITIES TO SPREAD YOUR WINGS OUTSIDE OF CLASS— JUST LIKE ASHLEE DID. SHE CAME TO PENN COLLEGE FROM VIRGINIA BEACH TO PURSUE HER BACHELOR'S IN HUMAN SERVICES & RESTORATIVE JUSTICE. INSPIRED TO SPARK POSITIVE CHANGE ACROSS CAMPUS, SHE GOT INVOLVED WITH THE STUDENT GOVERNMENT ASSOCIATION, FIRST AS A SENATOR REPRESENTING HER SCHOOL AND NOW AS THE ORGANIZATION'S VICE PRESIDENT OF PUBLIC RELATIONS. ASHLEE ALSO SERVES AS THE PRESIDENT OF THE BLACK STUDENT UNION AND PROMOTES PHILANTHROPY AS A STUDENT COLLEGE RELATIONS ASSISTANT.

ASHLEE MASSEY
Human Services & Restorative Justice

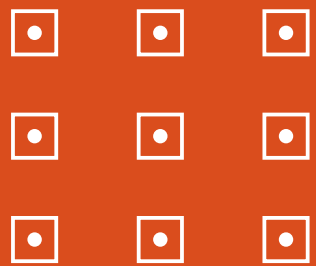

**TODAY'S FORECAST:
100% CHANCE OF MUD**

SAE Baja is one of the most popular clubs on campus. And it's easy to see why. When you join forces with students across majors to create a single-seat off-road vehicle and compete with other makers on a national level, what's not to love? Regardless of your major, there's a place for you on this award-winning team.
