INDUSTRY PARTNERSHIPS

Strong industry partnerships help launch the careers of Penn College graduates and support a large alumni network for you to tap into.

PERSONAL GROWTH

By taking each day head-on and hands-on, you'll grow your knowledge, skill, and perspective.

GLOBAL EXPERIENCES

Studying abroad is an amazing opportunity to see your industry from a new angle and experience more of the world.

FACULTY EXPERTISE

Our faculty are not only excellent teachers, they have a strong community presence as business owners and industry experts.

CONSISTENTLY CUTTING-EDGE

Our curriculum is constantly updated and fine-tuned to help you build an in-demand career from day one.

THE WILDCAT WAY

Don't miss PC3—an action-packed lineup of activities running the first three weeks of the semester.

TOMORROW IN THE MAKING

Stop by the Center for Academic Excellence where you'll find lots of support tools and resources to keep you moving full speed ahead.

ACADEMIC ADVISING

Meet regularly with an academic advisor who is dedicated to helping you reach your career goals.

INTERNSHIPS

Get real-world experience in your field through service-based learning, clinicals, and meaningful internships.

CENTER FOR CAREER DESIGN

PENNSYLVANIA COLLEGE OF TECHNOLOGY

Lean on our professional team for support as you start your job search and throughout your career.

THE WILDCAT WAY

Kick off Wildcat Weekend at the annual bonfire.

BEGIN AT THE BEGINNING

Whipping up gourmet cuisine in state-of-the-art commercial

kitchens. Perfecting welding skills in an expansive 55,000+-square-foot facility. Growing plants sustainably in our hydroculture garden. In your very first semester, you'll start building your career using the same equipment as professionals in your field.

YOUR PATH

- ◇ Global-experience opportunities
- ◇ On-campus, apartment-style housing
- ◇ Hands-on learning
- ◇ State-of-the-art facilities and equipment
- ◇ Leadership-development programs
- ◇ Industry and corporate partnerships
- ◇ Online-degree options
- ◇ Seamless associate-to-bachelor-degree pathways

BUSINESS ADMINISTRATION

Explore the diverse world of business and personalize your path with optional specializations like banking and finance or healthcare management.

SCHOOL OF BUSINESS, ARTS & SCIENCES

Nursing, A.A.S.
Nursing, Part-time, Evening & Weekend, A.A.S.
Nursing, B.S.N.

MASTER'S DEGREES

Nursing Education, M.S.N.
Physician Assistant, M.S.

POST MASTER'S CERTIFICATE

Nursing Education

DENTAL HYGIENE

Gain real-world experience serving patients in our on-campus dental hygiene clinic while pursuing your associate's. And continue for your bachelor's with the flexible online pathway.

PHYSICAL THERAPIST ASSISTANT

Thanks to extensive lab experiences and three clinical rotations, you'll learn how to help patients chart their paths to recovery.

SURGICAL TECHNOLOGY

Over 200 hours of hands-on lab experience plus over 500 hours of O.R. clinical placements equals 100% ready to handle whatever comes your way.

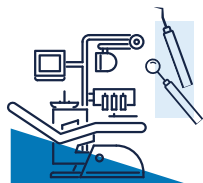

Most programs across all three academic schools have completion opportunities—accelerated pathways for associate-degree and transfer students to earn a bachelor's degree.

BACHELOR'S COMPLETION DEGREES

- Applied Management
- Applied Technology Studies
- Automotive Technology Management
- Building Automation Engineering Technology
- Dental Hygiene
- Healthcare Leadership & Administration
- Nursing, RN to B.S.N.
- Residential Construction Technology & Management

THE WILDCAT WAY

Take advantage of five-dollar teeth cleanings at our on-campus clinic powered by dental hygiene students.

COME FOR THE HANDS-ON CAREER EXPERIENCE

GET INVOLVED

With so many ways to be active, you'll always be a part of something here. From One World Club to the Student Government Association, you're bound to find something that piques your interest.

STAY FOR THE FULL-ON COLLEGE EXPERIENCE

ARMY ROTC OPPORTUNITIES

Join the nation's premier leadership program and earn a commission as a U.S. Army officer. The Army ROTC program at Penn College offers competitive scholarships for tuition, room and board, and other expenses.

OUR COMMUNITY

One of the most fun parts of life at Penn College is getting to know the people around you. Your friends will be able to repair your car, fix your computer, clean your teeth, and build you a house. Together, there's no problem Penn College students can't solve. Diverse perspectives come in handy.

Schedule your visit at:

THE WILDCAT WAY

Battle it out in the Wildcat Wars, with obstacle courses, dodgeball, kickball, and more.

LIVE WHERE YOU LIVE ◇

ONE WITH NATURE

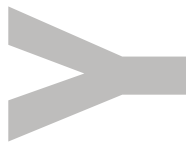

BASE OF BEAUTY

Hit the hiking trails, campgrounds, trout streams, and bike routes for scenic views and outdoor action.

SEASONS OF FUN

Sun or snow, the Williamsport area will not disappoint. From kayaking and swimming to skiing and snowboarding, the area is overflowing with outdoor possibilities 12 months a year.

BETTER TOGETHER

Rally your crew for an adventure or connect with a club for a planned trip. Regardless of what you explore or who you go with, we think you'll find lots of reasons to go back for more.

YOUR COMMUNITY

On-campus living in traditional or apartment-style dorms puts you steps away from all the action. Even students who live off campus love how much the community feels like home.

THE WILDCAT WAY

Invite some friends and head out to Jacoby Falls for a three-mile hike complete with a picture-perfect 30-foot waterfall.

STAY

STAY WILD

At Penn College, we are all Wildcats. We arrive primed to pounce, prepared to drive what's next with passion and determination. As a college of technology and an NCAA Division III school, we like to get right into the action. How about you?

THE WILDCAT WAY

Munch on tasty food, listen to music, and enjoy a free massage during Midnight Breakfast, a Penn College tradition.

Follow these *three steps* to officially become a Penn College Wildcat.

Use the checklist to find your next step, but don't let any of them stump you. Your admissions counselor will be happy to walk you through the process and answer any questions you have.

1

Complete the Application

To get started, we'll just need a few details from you. Whether you apply via Common App or complete our application directly, the information you provide will help us get to know you and learn about your goals.

2

Submit Your Materials

Once we review your application, we'll let you know what types of documentation (like academic transcripts) we need. These vary according to your particular situation and which major you've chosen.

●●●●● GET ACCEPTED ●●●●●

3

Meet Placement Requirements

Our programs are rigorous, which is why you'll need to show that you're up for the challenge. Think of it as an assessment of your current skills to determine your best path forward to succeed in your intended major.
